To: _____

Type of COR:

Authorized Species listed on COR:

Fish Health Approved Species for Sale:

Location where authorized activity can be conducted:

Authorized to operate a fee fishing facility at the specified location and date. Any species removed from the ponds during fee fishing shall be removed dead. No fish or parts thereof shall be placed in other waters, public or private, before, during, or after the event. All fish shall be obtained from Pine Creek Trout Ranch which has been health approved by the Department of Agriculture & Food and assigned a Fish Health Approval number.

All fish remaining at the end of the event are to be destroyed, and this is to occur the same day as the event.

The validity of this COR is dependent upon complying with appropriate provisions of Title 4, Utah Code, and all other applicable federal or state laws. Activities authorized herein must be carried out in accordance with and for the purposes described in the application submitted. To affect any changes to specify provisions of this COR, registrant must obtain prior written authorization from the Department of Agriculture. Continued validity or renewal of this COR is subject to complete and timely compliance with all applicable provisions, including the submission of all reports and fees. This COR is non-transferable.
